AWMS Conference Keynote lineup

2 November 2008

The 2008 Australasian Wildlife Management Conference is set to be a great success and will include keynote addresses from the following:

- Dr Peter Banks (University of New South Wales)
- Prof Chris Dickman (University of Sydney)
- Dr Mike Kearney (University of Melbourne)
- Prof Pat Kennedy (Oregon State University)
- Prof Charley Krebs (University of British Columbia)
- Dr Dorian Moro (Chevron) and
- Dr Wendy Ruscoe (Landcare Research).

Caughley medallist from 2007, Dr Glen Saunders (NSW DPI), will give a keynote presentation titled "Managing the impact of foxes: a work in progress?".

The conference will also feature over 30 student presentations on a diverse range of topics. The preliminary program has been uploaded to the AMWS website.

Themed Conference Dinner

The conference dinner has a theme that will be undoubtedly memorable and a whole lot of fun. Scheduled for Wednesday night at the conference venue, come ready for a good time!

Fremantle the Destination

Along with the great line-up of presentations, the venue of Fremantle should make the conference memorable.

Fremantle is the port-hub of Western Australia and it offers a number of historical sites of significance, including the infamous Fremantle Gaol. Fremantle also has a vibrant café-culture and there are no shortage of cafes, restaurants, micro-breweries and pubs to catch up with friends and colleagues during the conference.

An ice-breaker BBQ on the Sunday evening will welcome delegates to the region. The price for the BBQ is not included in full registration but please indicate your attendance on registration.

Delegates can also book pre-and post-conference tours and local day tours through the website link: <http://www.oceaniccruises.com.au/>

The Trade Exhibition

If you are interested in a Sponsorship opportunity or a Trade Display, download the conference Sponsorship Brochure and Registration Form or email: awms@onqconferences.com.au
