This Program is preliminary only. The Convention Committee reserves the right to change or alter the Program as it deems necessary.

The Convention Poster Program

The 2008 General Practice and Education Convention will host poster sessions during the lunch breaks.

Poster boards will be set up in the foyer on the Convention floor (please see floorplans on Page 6). Each presenter has a five minute opportunity to talk to their poster (including question time).

A small number of posters are static displays only. Posters have been allocated a number and may be set up on the Wednesday morning and remain on the Boards for the duration of the Convention.

All poster abstracts will be included in the Program Brochure.
