

Association of Pet Dog Trainers Australia

"Building Better Trainers Through Education"

Annual Conference & Trade Show 2009

The TRADE SHOW is an important and popular part of our Conference programme and we want to make 2009 better than ever.

Participation as an Exhibitor or Sponsor at the APDT Conference is an ideal opportunity to promote your products and services to a network of influential dog trainers, club instructors, groomers, veterinary nurses, shelter workers and others in the pet care industry.

As well as being an ideal opportunity to demonstrate your organisation's interest in and commitment to professional dog trainers in Australia, the benefits of being a Trade Show exhibitor include:

- the opportunity to profile your company and enhance your brand with direct access to all delegates at the conference;
- national promotion of your company in all conference promotions;
- company logo displayed on conference screen as an exhibitor/sponsor of the event;
- sponsorship opportunities;
- achievement of a closer association with the APDT Committee;
- logo or company name in the Conference Program; and
- a choice of exhibitor registration packages.

Be a part of the most important and exciting dog training event of 2009.
